Round Robin

Back to Beginning Sounds

► Virginia SOLs: K.7, 1.4

Procedure

1. Have children sit in a circle. Tell them that you are going on an imaginary trip.
2. You will say one item that you want to take on the trip. The children are to repeat the item and then name another item whose name begins with the same sound. For example, if you say, “I’m going to the park and I’m taking a ball”, the next child might say, “I’m going to the park and I’m taking a ball and a blanket.”
3. Continue around the circle until the children can think of no more words that begin with that particular sound.
