

Please note that we do not yet have video recordings of **all** CKLA Preschool through grade 3 read-alouds. At this moment, teacher volunteers from around the country are recording the read-alouds, on their own, and sharing links.

If you are interested in participating, we would greatly appreciate it. (You can volunteer [here](#).) Or, if you locate any CKLA read-alouds on YouTube (that are not currently represented in these folders), please send the link our way.

We'll continue to update the folders daily. We hope to have more available in the very near future.

If you have any questions, please [contact us](#).
